

## SHAPE FIELDS + RANG TARANG

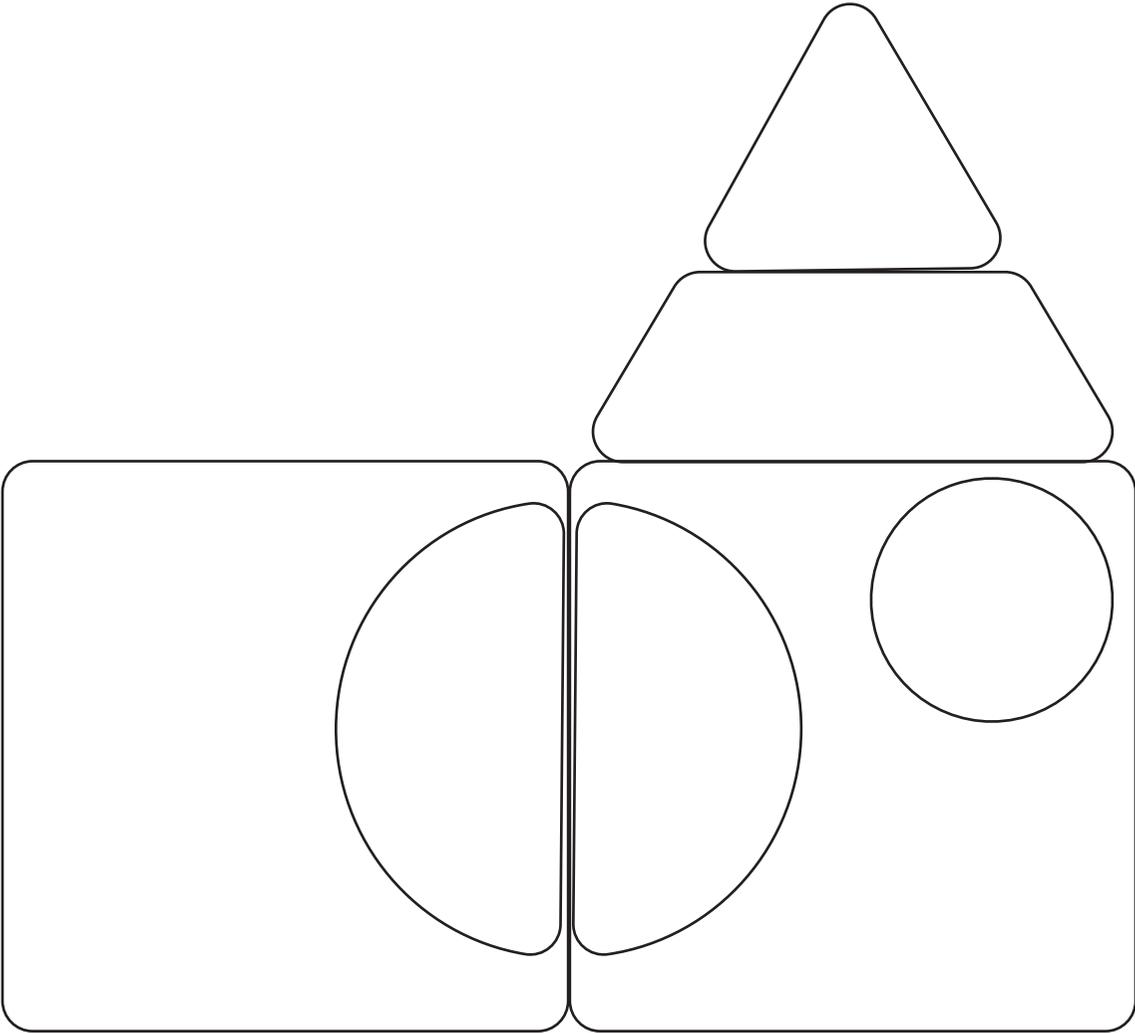

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

**SHAPE FIELDS + RANG TARANG**

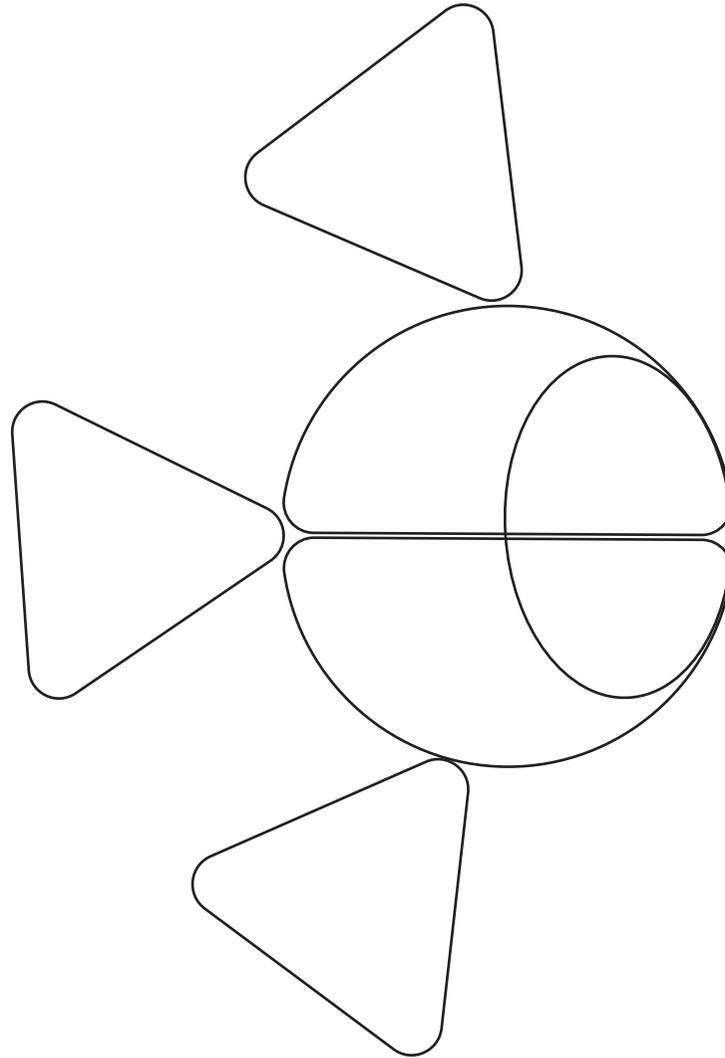

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

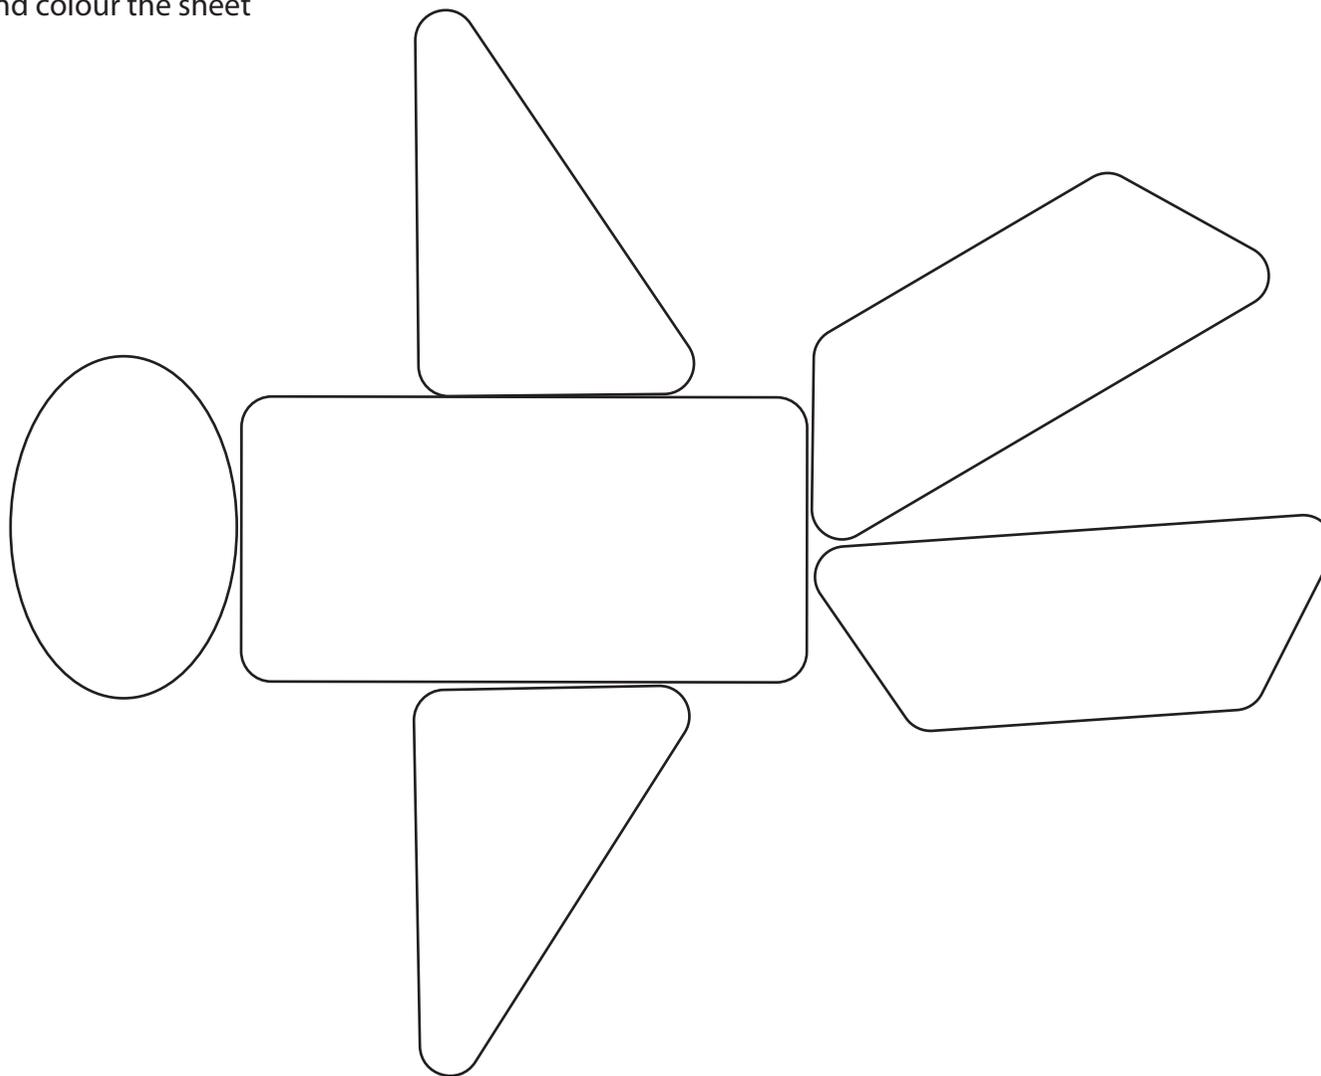

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

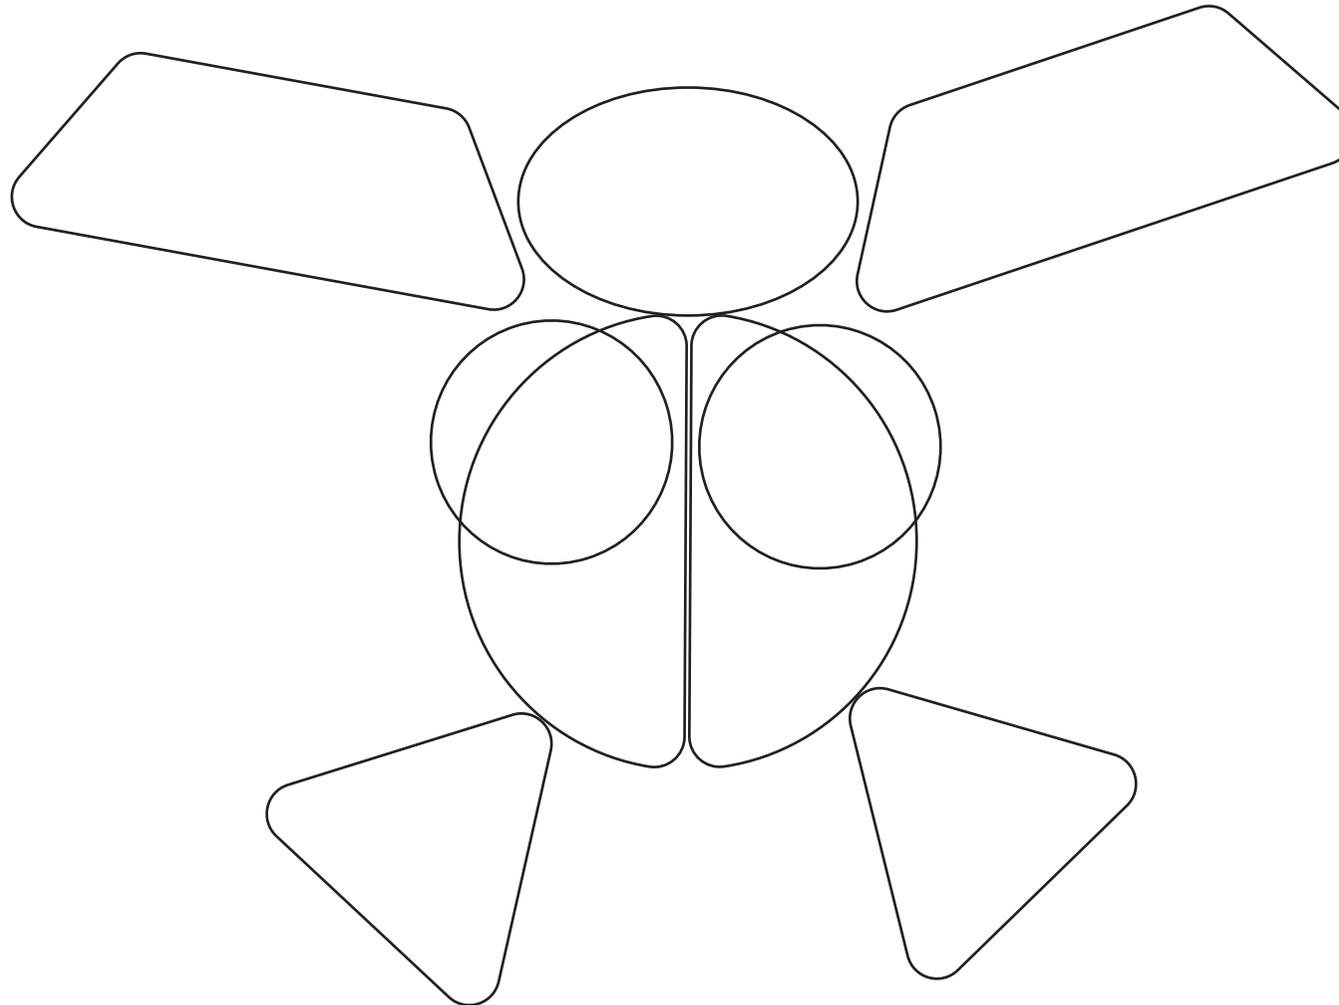

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

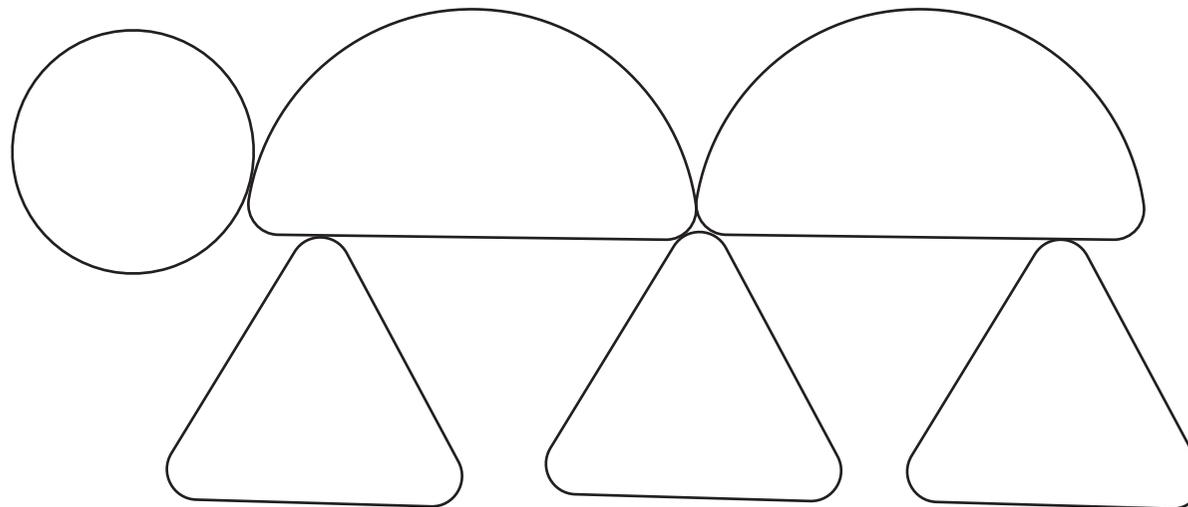

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

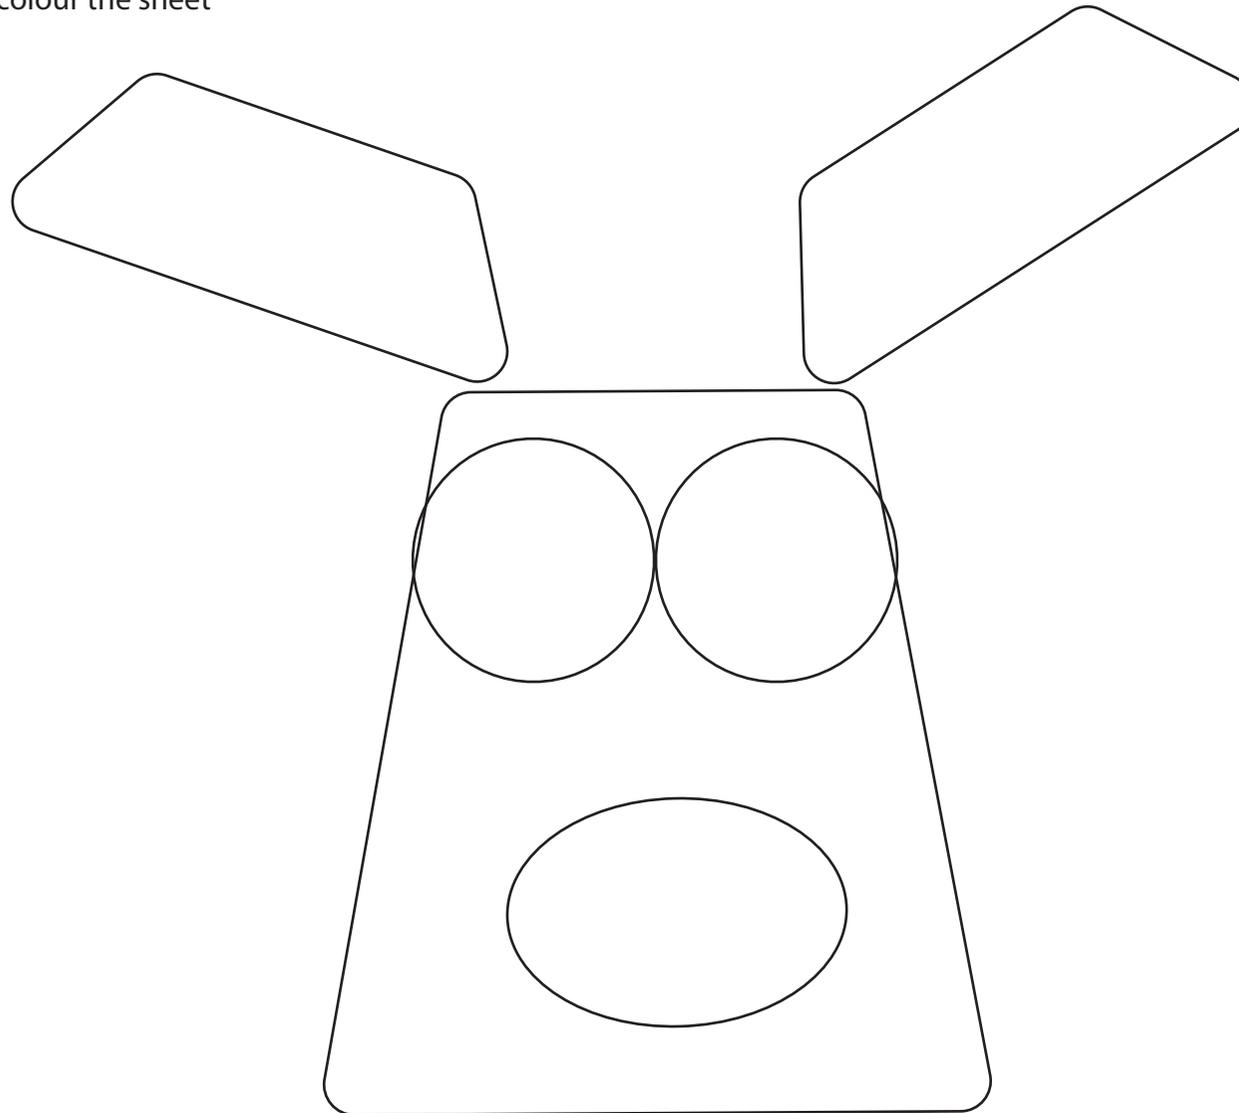

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

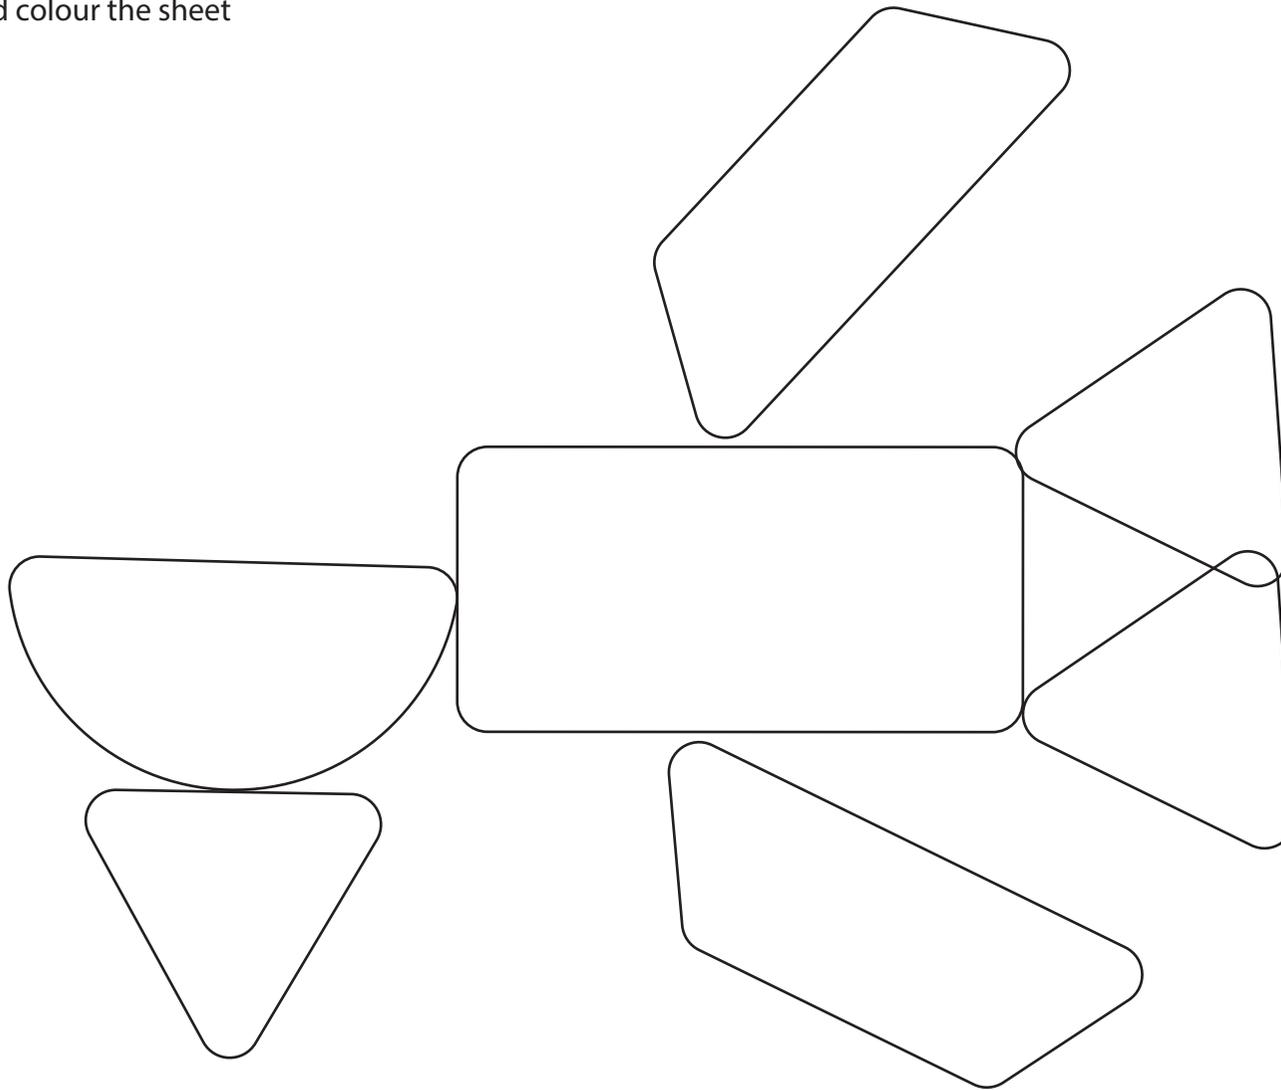

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

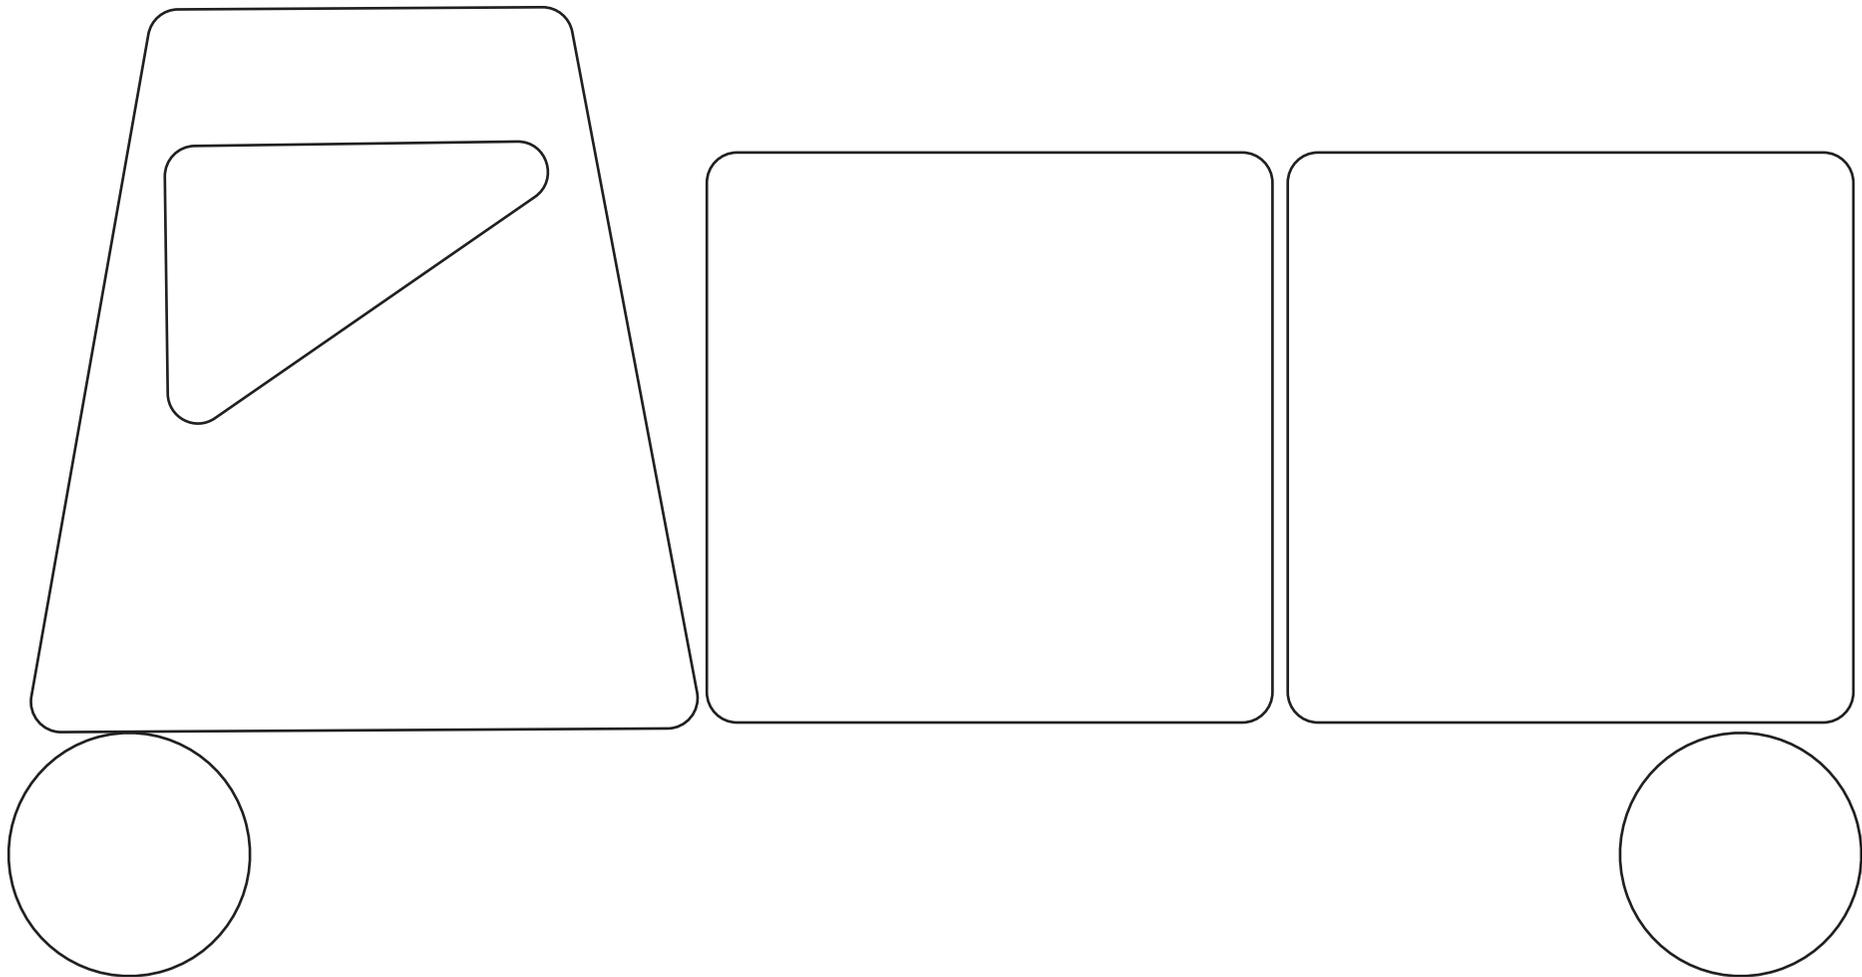

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

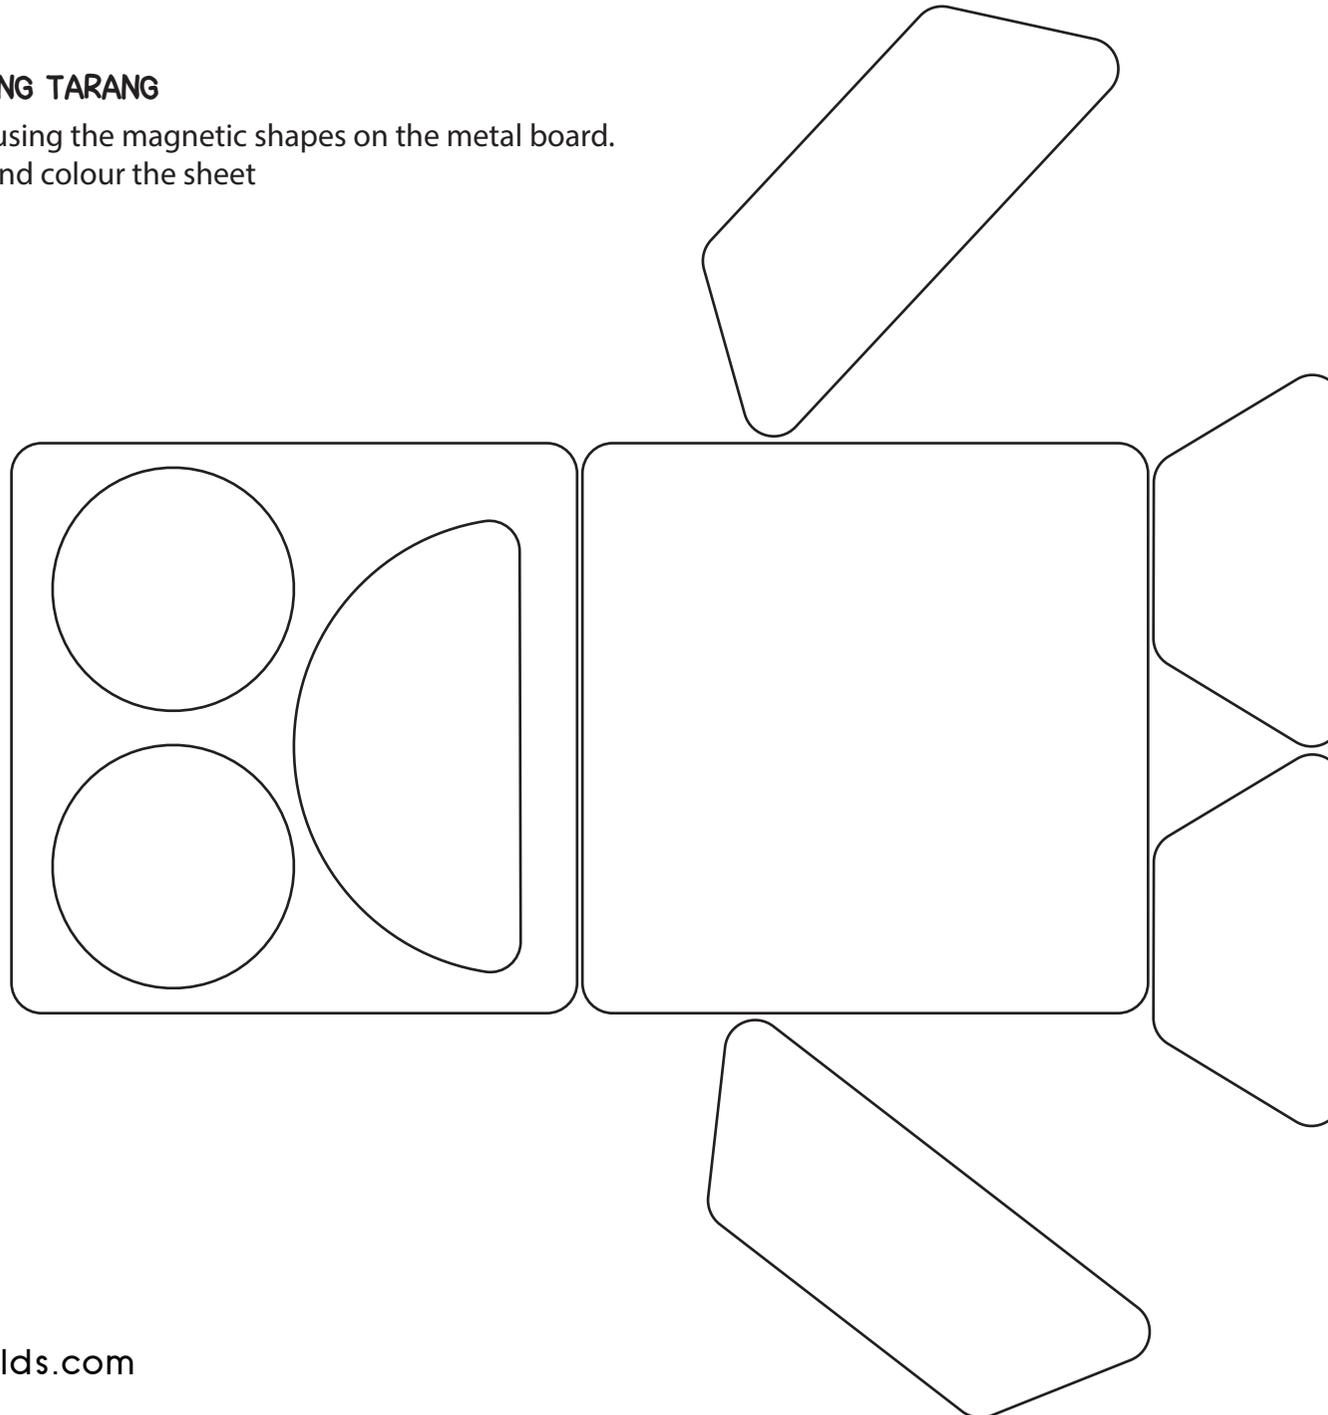

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

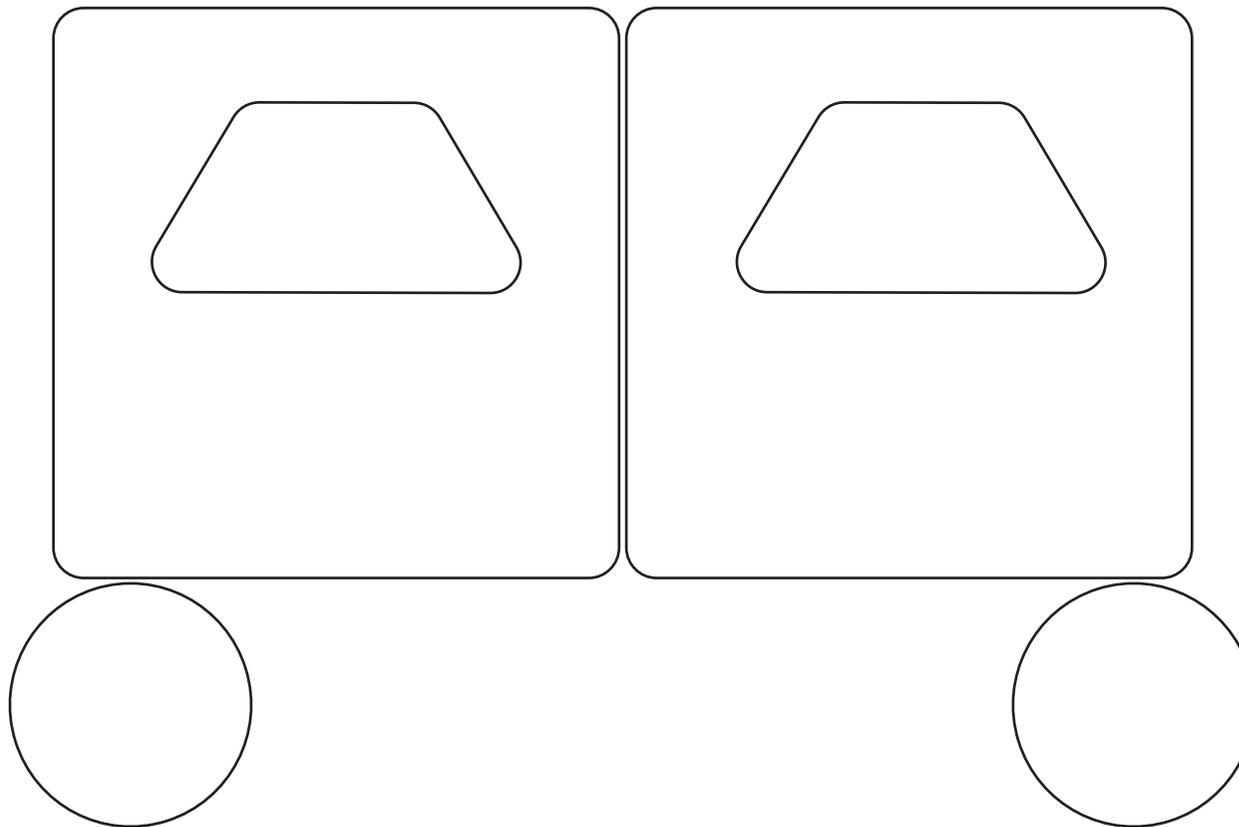

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

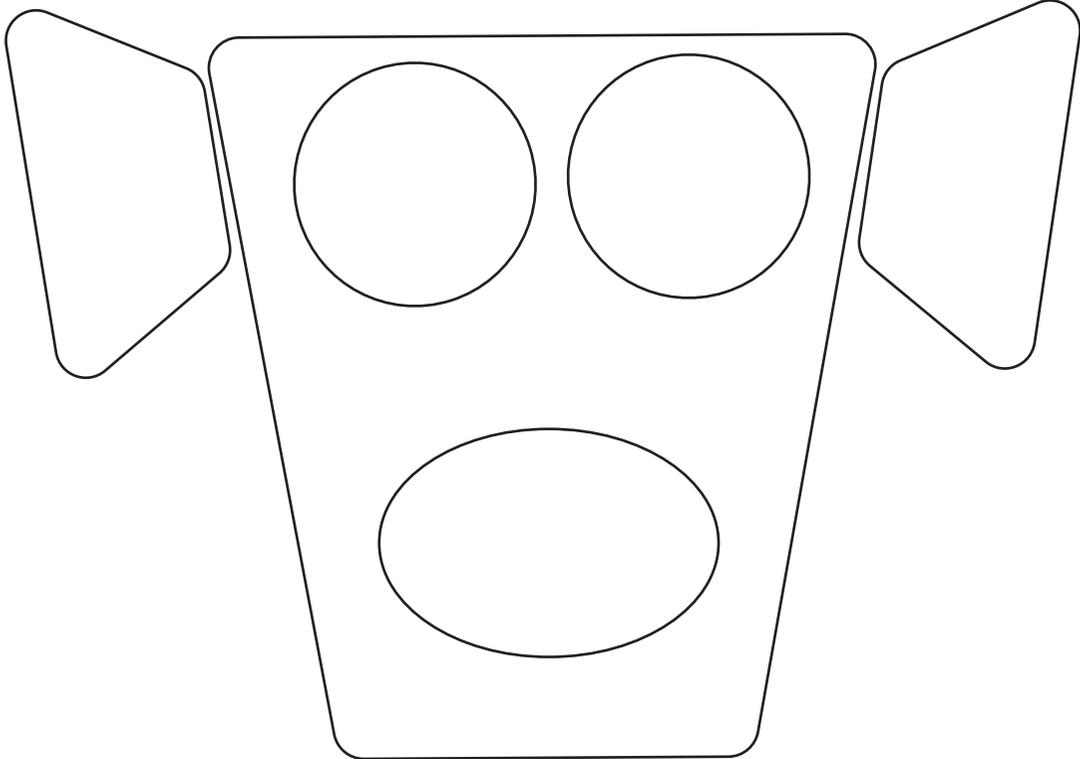

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

**SHAPE FIELDS + RANG TARANG**

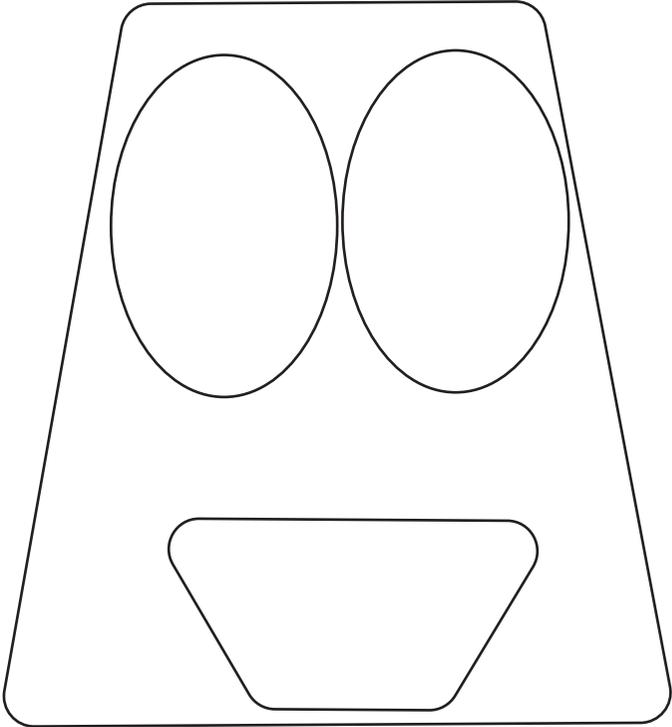

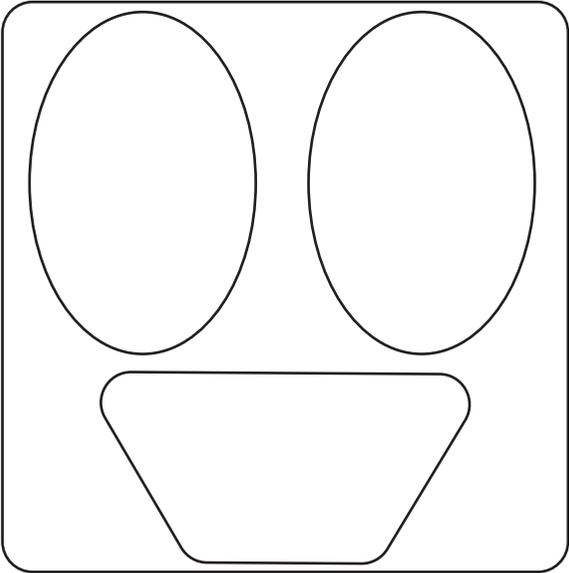

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

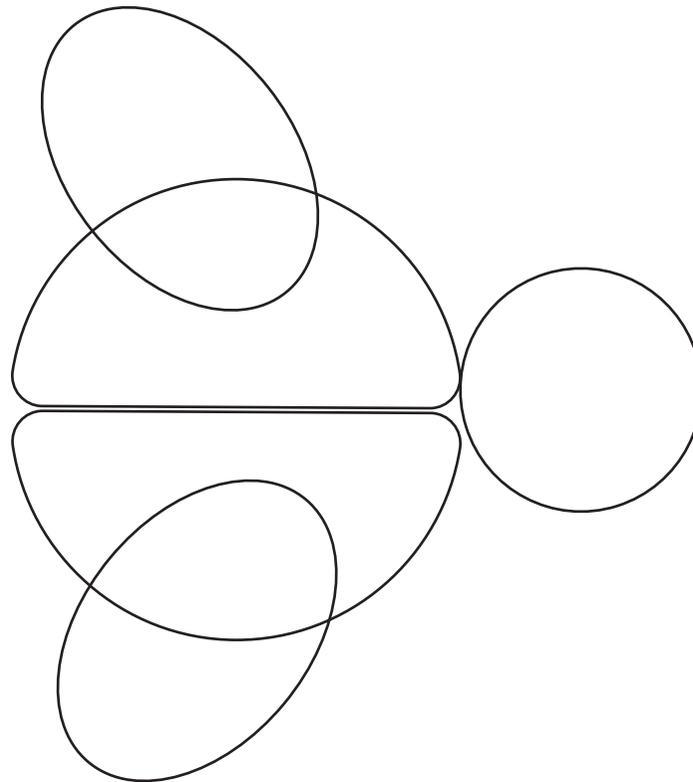

**SHAPE FIELDS + RANG TARANG**

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

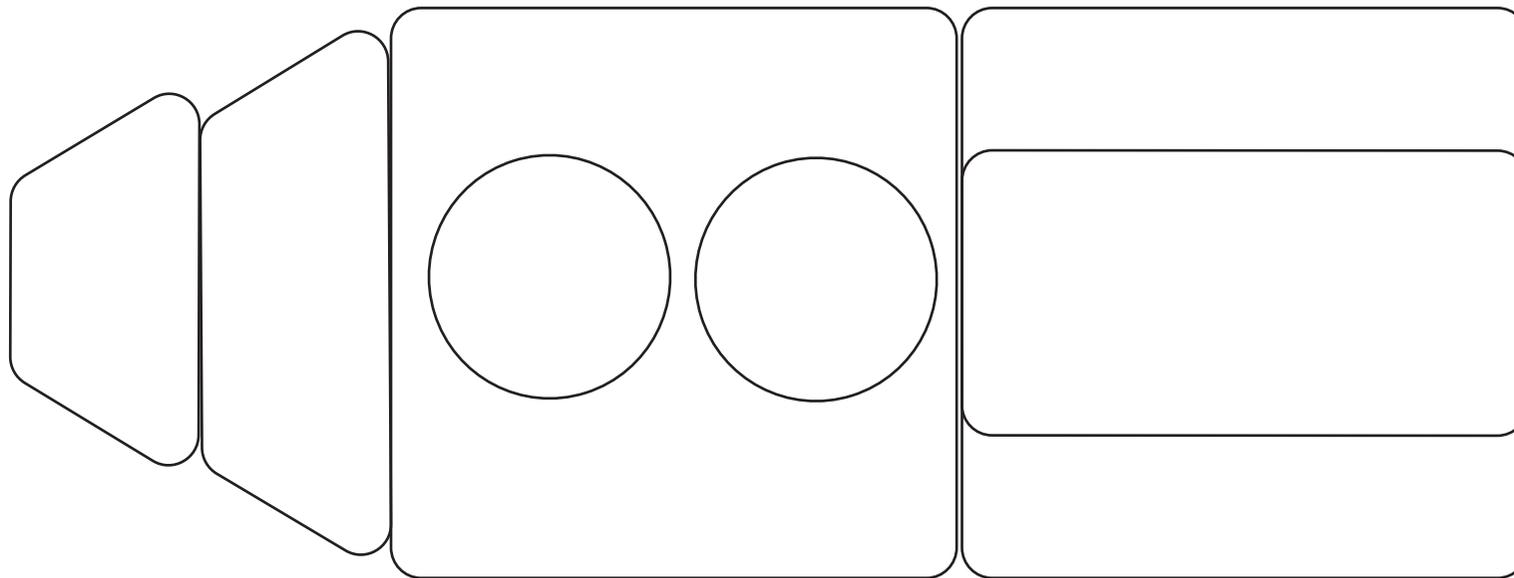

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

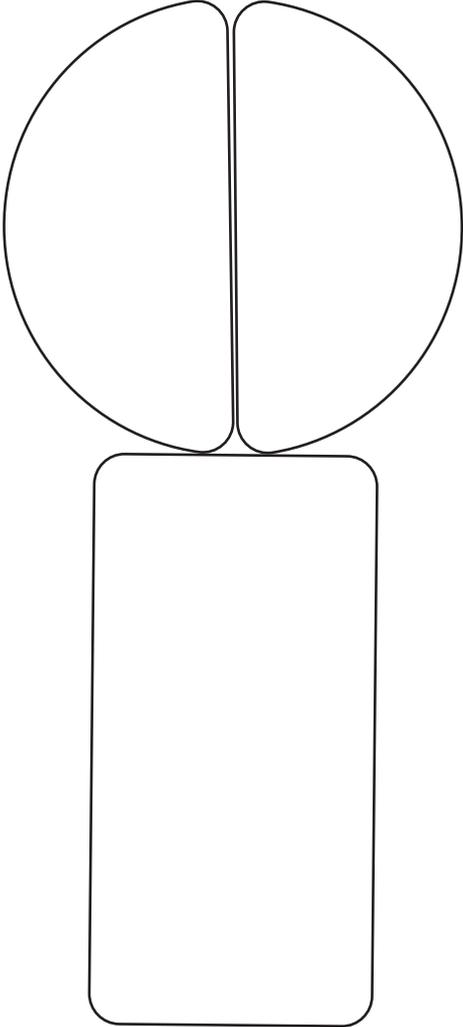

**SHAPE FIELDS + RANG TARANG**

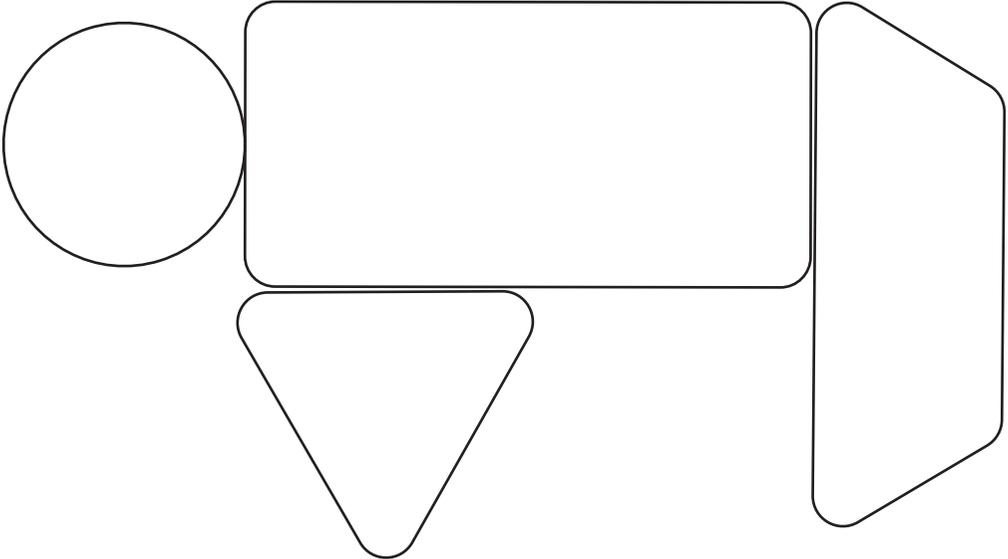

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

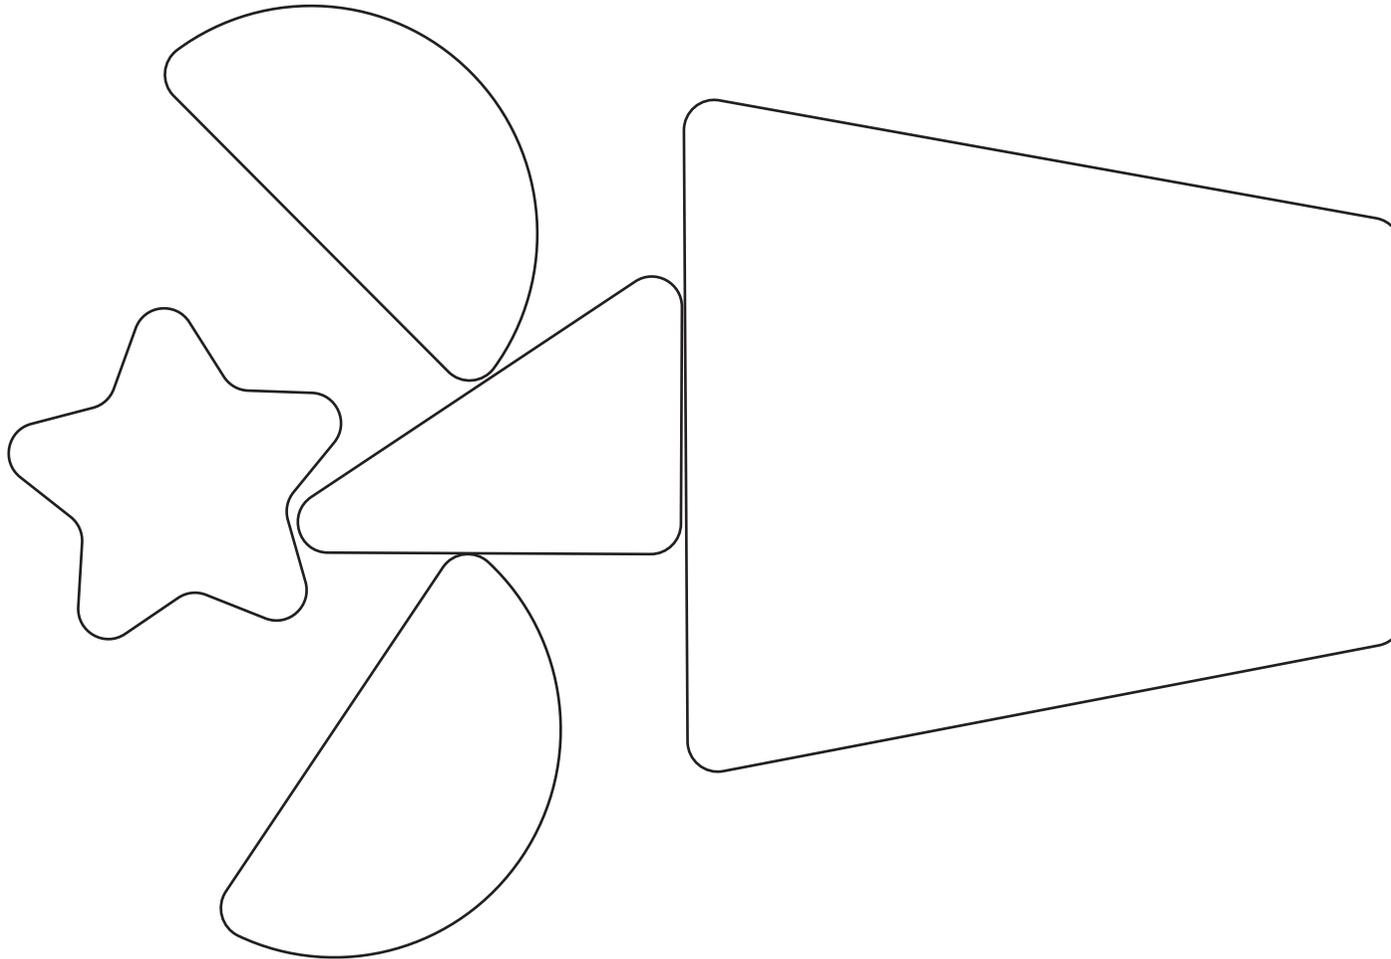

**SHAPE FIELDS + RANG TARANG**

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

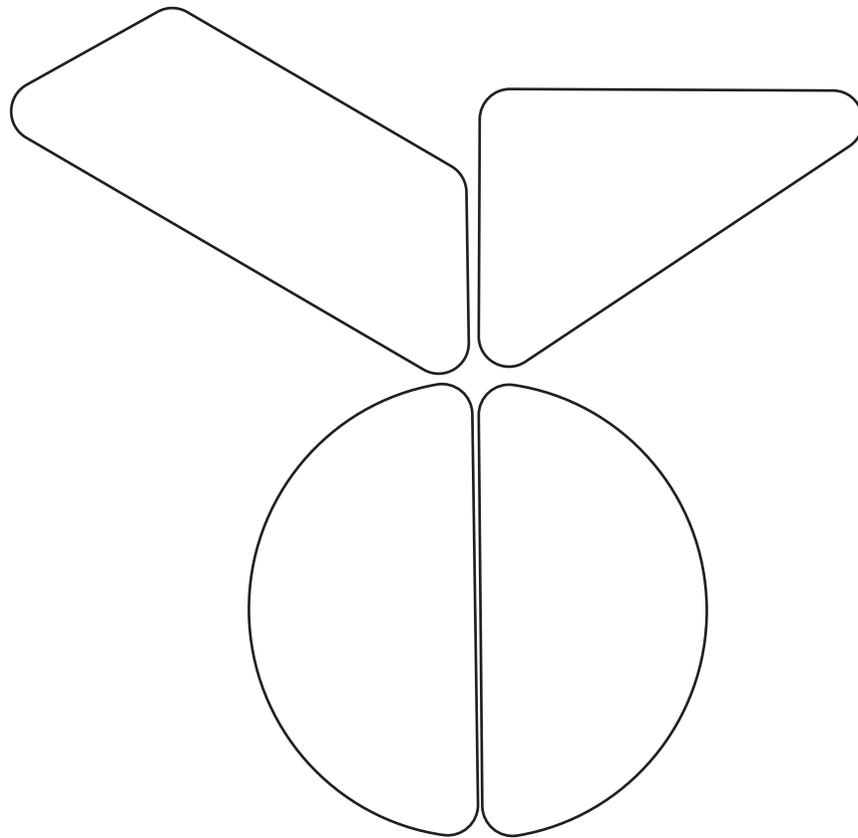

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

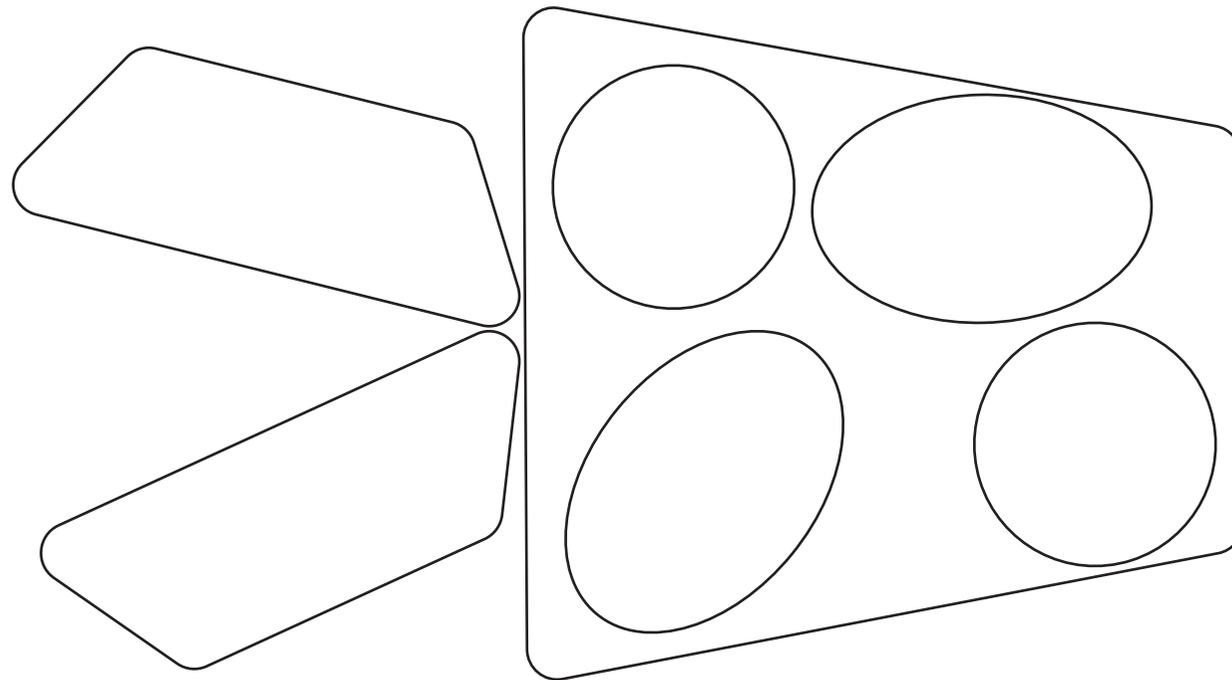

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

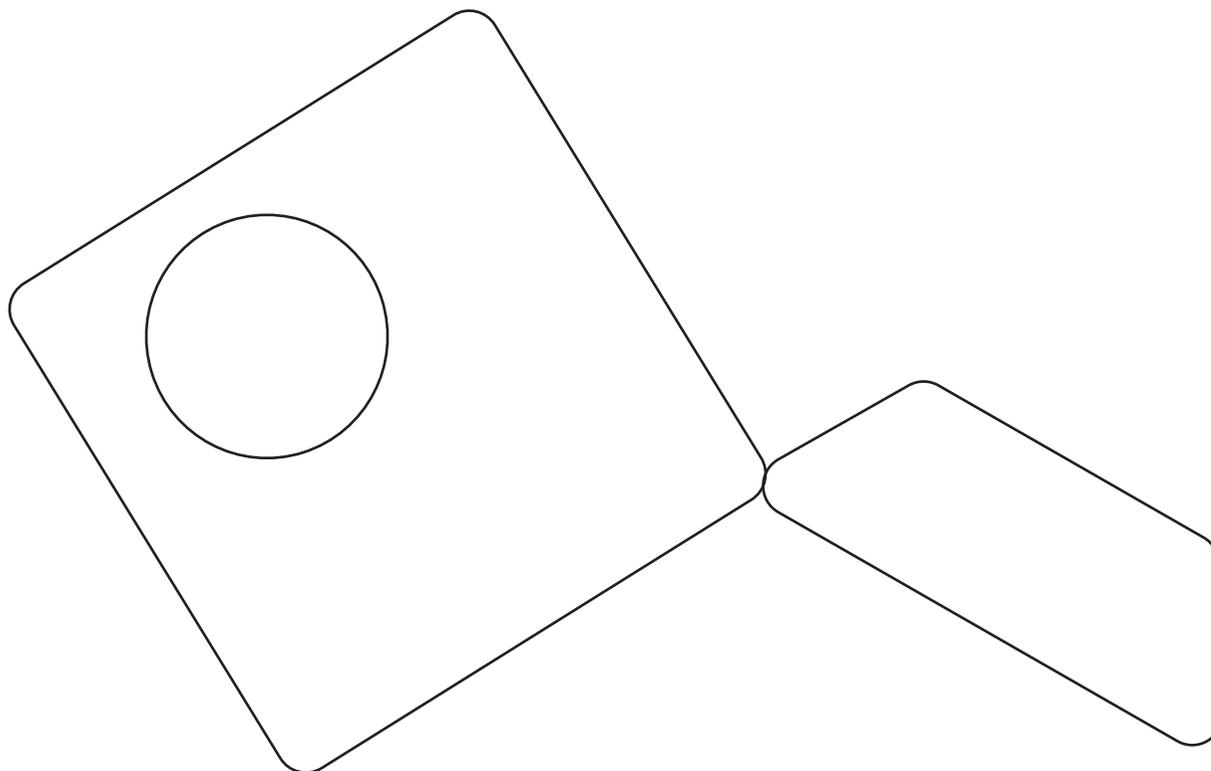

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

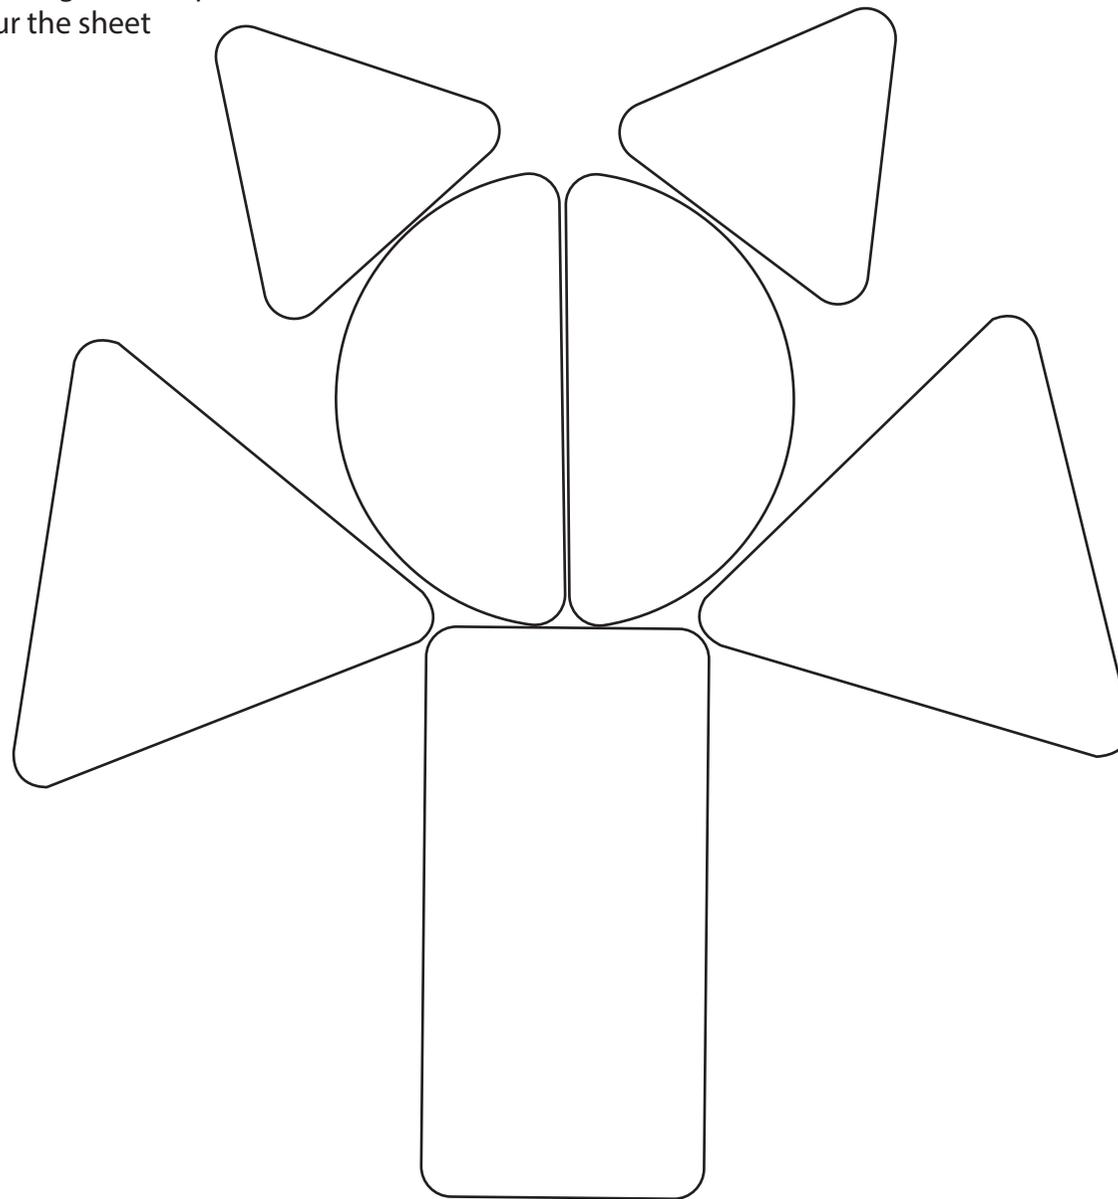

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

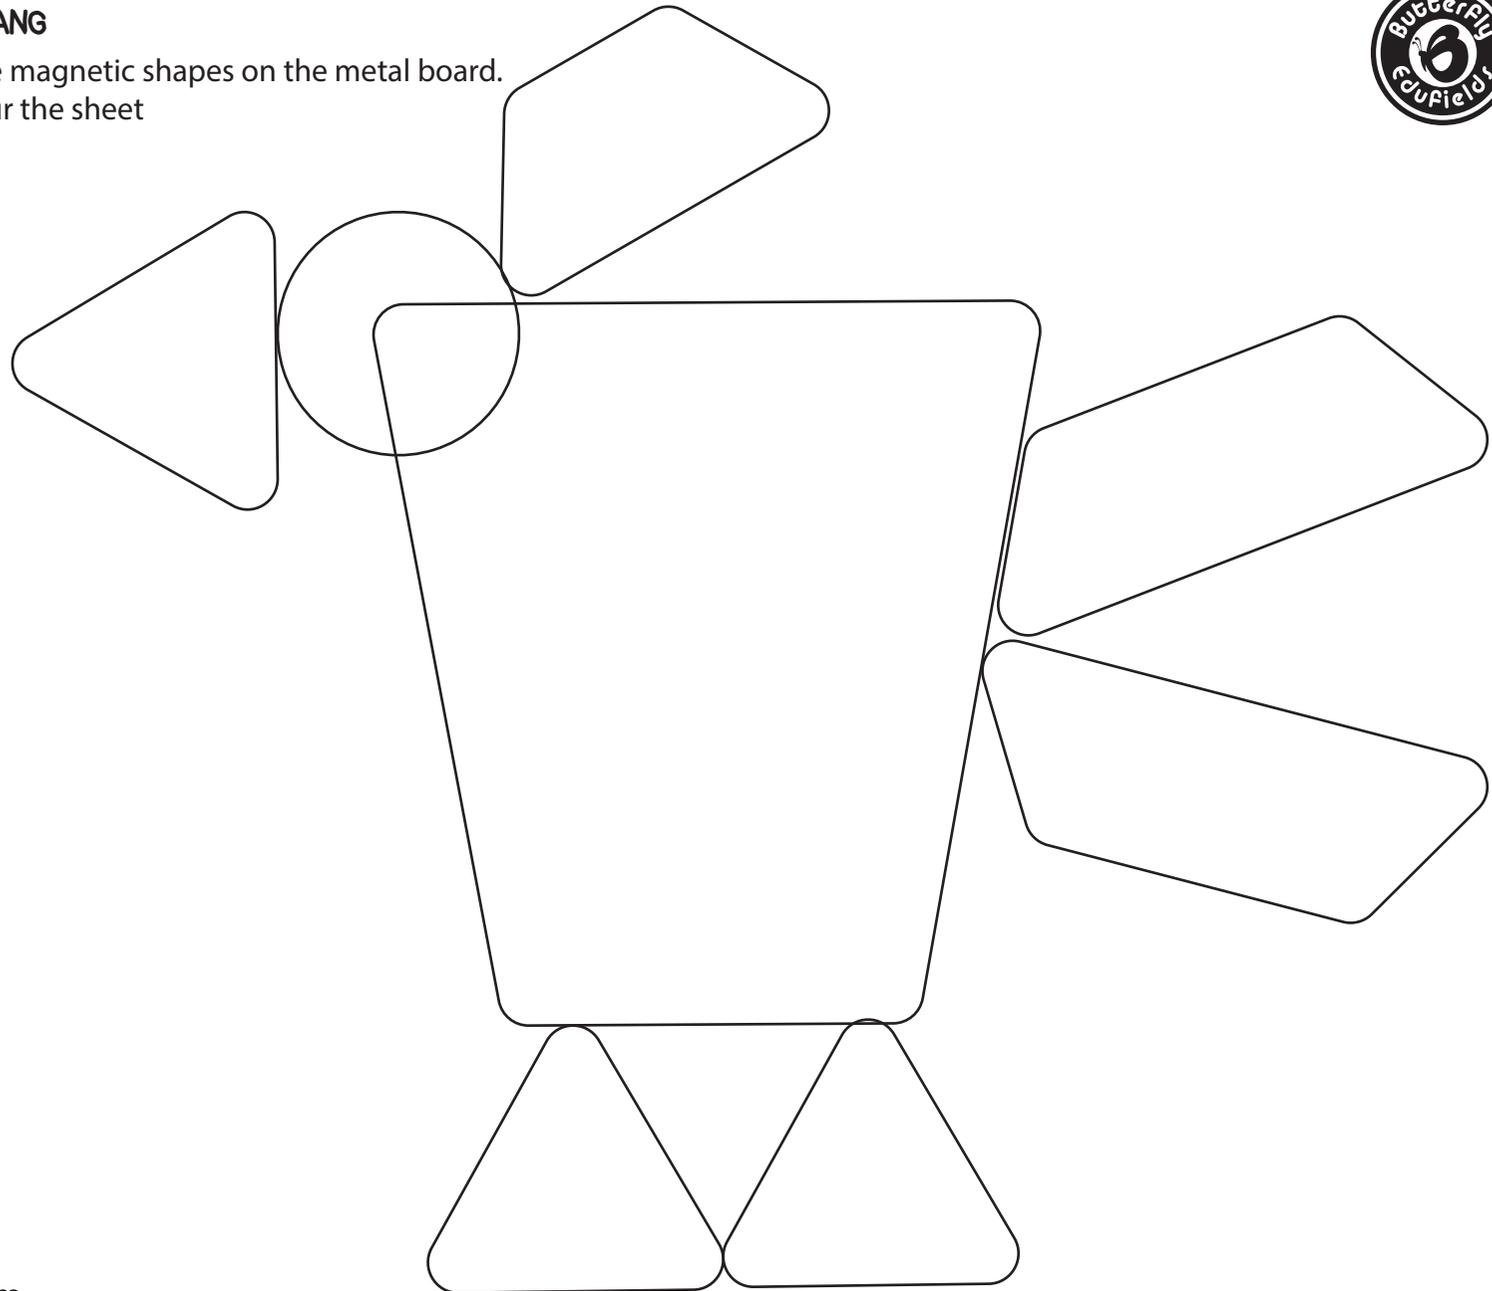

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

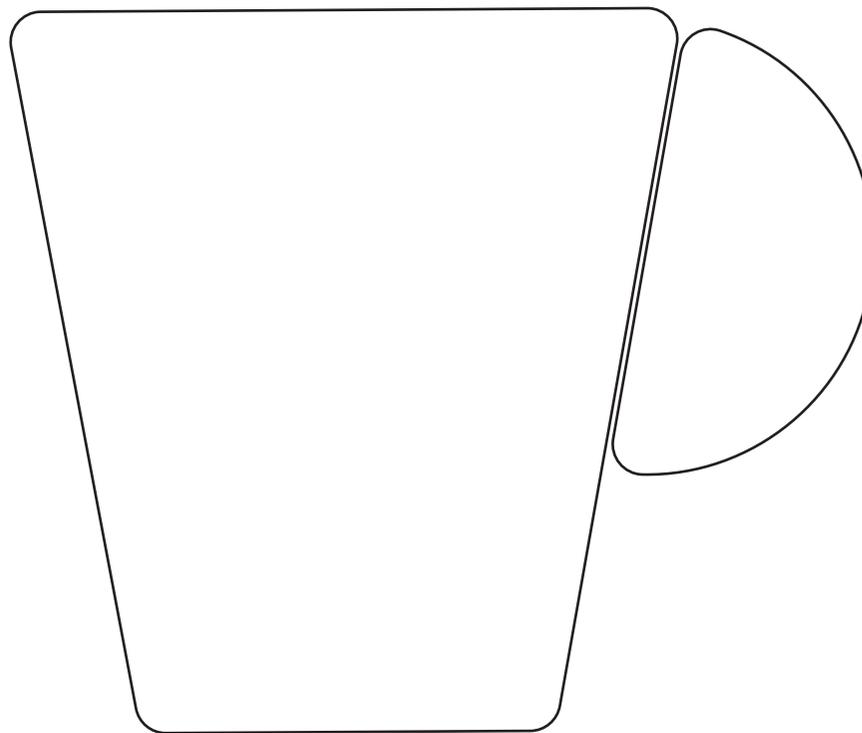

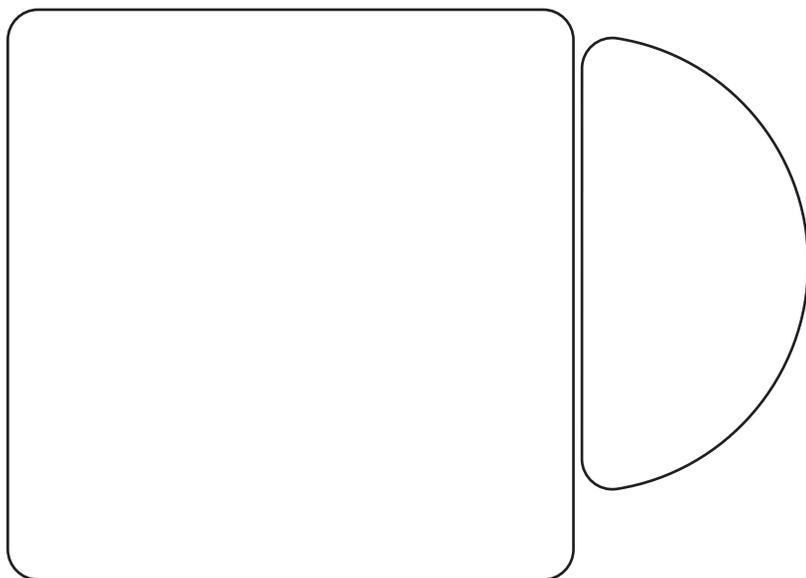

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

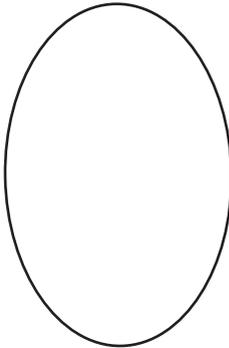

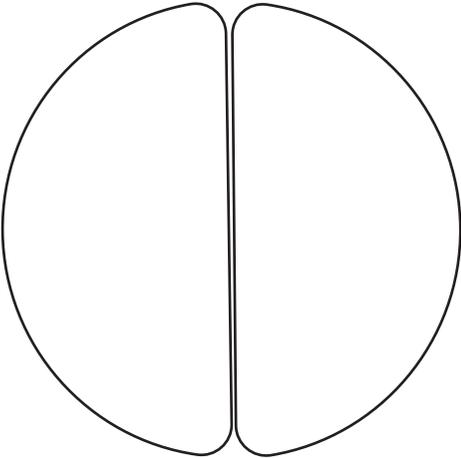

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

**SHAPE FIELDS + RANG TARANG**

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

**SHAPE FIELDS + RANG TARANG**

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

**SHAPE FIELDS + RANG TARANG**

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

**SHAPE FIELDS + RANG TARANG**

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

# SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

# SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

# SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

# SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

# SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

# SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

# SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

# SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

## SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet

# SHAPE FIELDS + RANG TARANG

Complete the figure using the magnetic shapes on the metal board.  
Remove the shapes and colour the sheet
