

Scientist's safety contract

Sign this with a grown-up before you begin your experiments

AS A YOUNG SCIENTIST, I PROMISE TO

- ☐ Always do experiments with a grown-up nearby.
- ☐ Never put batteries in my mouth, or join the + and - ends directly.
- ☐ Never use knives or scissors without a grown-up helping.
- ☐ Keep magnets away from my phone, laptop, TV and bank cards.
- ☐ Never look straight into an LED or laser up close.
- ☐ Wear safety glasses when the manual says to.
- ☐ Tell a grown-up straight away if anything gets hot, sparks or leaks.
- ☐ Wash my hands after handling batteries or chemicals.
- ☐ Tidy my workspace when I am finished.

MY GROWN-UP PROMISES TO

- ☐ Stay in the same room the whole time.
- ☐ Help with anything sharp, hot, or that plugs into a wall socket.
- ☐ Read the safety notes in the manual before we start.
- ☐ Keep this kit away from children under five.
